(I-AVENUE - SMK SG. NIBONG)**

<b>Date</b>	12 November 2025 - 10 February 2026
<b>Time</b>	8.00 am – 4.00 pm
<b>Duration</b>	91 days
<b>Reason</b>	To make way for preliminary works including tree cutting, drainage, signage relocation and road widening.

Please be informed that long-term intermittent partial lane closures along a stretch of Jalan Kampung Relau (towards Bayan Lepas) will be implemented from 12 November 2025 to 10 February 2026. The closure will be implemented from 8:00 am to 4:00 pm daily. The traffic management plan is as follows:

The implementation of the closures will involve the left-most lane over a 480-metre stretch between the I-Avenue Complex and SMK Sungai Nibong. However, the right lane will remain open for traffic during this period (as indicated in the attached map).

This closure is necessary to facilitate preliminary works for the Penang Light Rail Transit (LRT) Project: Mutiara Line – CMC1 Package, which includes tree removal, relocation of drainage and road widening works.

Motorists are advised to follow directional signage. During the closure period, the PML Project Emergency Response Team will be on-site to assist with traffic management. Safety barriers, traffic cones and flagmen will also be deployed to ensure the safety of all road users. For further information, please refer to the map below.
