<b>Date</b>	16 February 2026 - 11 March 2026
<b>Time</b>	10.00 pm – 5.00 am
<b>Duration</b>	24 days
<b>Reason</b>	Identify And Relocation Utilities

Please be informed that short-term intermittent partial lane closures on the Jalan Tun Dr Awang (towards Bayan Lepas) will be implemented from 16 February 2026 to 11 March 2026. The closures will take place between 10:00 pm and 5:00 am, over a period of 24 days.

The traffic management plan is as follows:

This closure will involve the middle lane between the Hunza Properties Berhad building and the Hunza Muse PICC building, the right lane after the traffic light intersection of Jalan Bukit Gambir to Jalan Tun Dr Awang, and the left lane towards the traffic light intersection of Jalan Bukit Gambir. However, the other lanes will remain open for traffic flow (as shown on the attached map).

The closure is necessary to facilitate preliminary works for the Penang Light Rail Transit (LRT) Project: Mutiara Line – Package CMC1, which include utility identification and relocation works.

Motorists are advised to follow directional signage. During the closure period, the PML Project Emergency Response Team will be onsite to assist with traffic management. Safety barriers, traffic cones and flagmen will also be deployed to ensure the safety of all road users. For further information, please refer to the map below.
