Date	8 April 2026 - 15 May 2026
Time	8:00 am - 4:00 pm
Duration	38 days
Reason	Drainage And Road Widening Works

Please be informed that long-term intermittent partial lane closures along a stretch of Jalan Sultan Azlan Shah (both directions) will be implemented from 8 April 2026 to 15 May 2026. The closure will be implemented from 8:00 am to 4:00 pm, over a period of 38 days.

The traffic management plan is as follows:

The implementation of the closures will involve the left-most lane between the Road Transport Department Batu Uban and Sunny Point traffic light junction, heading towards KOMTAR, as well as between the Sunny Point Complex traffic light junction and terrace houses near Jalan Batu Uban, heading towards Bayan Lepas. However, the middle lane and right lane will remain open for traffic during this period (as indicated in the attached map).

This closure is necessary to facilitate preliminary works for the Penang Light Rail Transit (LRT) Project: Mutiara Line – CMC1 Package, which includes relocation of drainage and road widening works.

Motorists are advised to follow directional signage. During the closure period, the PML Project Emergency Response Team will be onsite to assist with traffic management.
