Date	26 June 2026 - 31 July 2026
Time	9.00 pm – 5.00 am
Duration	35 days
Reason	EXCAVATION & RELOCATION OF UTILITY (PBA)

Please be informed that periodic partial two-way lane closures at night on Jalan Sultan Azlan Shah (heading towards Bayan Lepas and Komtar) will be implemented from 26 June 2026 to 31 July 2026. The closures will be carried out between 9:00 PM and 5:00 AM, over a period of 35 days.

This phased closure will involve the leftmost lane along Jalan Sultan Azlan Shah heading towards Bayan Lepas, starting from the intersection before Dewan Sungai Gelugor to Lot 3390, as well as the inner lane at the Jalan Sultan Azlan Shah junction towards Bayan Lepas. It will also involve the lane between the inner lane and the leftmost lane heading towards Komtar, including the inner lane and leftmost lane in front of Pensonic.

However, the remaining lanes will remain open at all times to ensure continuous traffic flow (please refer to the attached map).

This closure is necessary to facilitate preliminary works for the Penang Light Rail Transit (LRT) Project: Mutiara Line – CMC1 Package.

Motorists are advised to follow directional signage. During the closure period, the PML Project Emergency Response Team will be onsite to assist with traffic management. Safety barriers, traffic cones and flagmen will also be deployed to ensure the safety of all road users. For further information, please refer to the map below.
