SHORT-TERM LANE CLOSURE ALONG JALAN MAGAZINE AND LEBUH CARNARVON

Date	7 August 2026 - 10 August 2026
Time	24 Hours
Duration	3 days
Reason	UTILITY RELOCATION (PBA)

Please be informed that a short-term 24-hour lane closure on Jalan Magazine towards Lebuhraya Carnarvon will be implemented from Friday, 7 August 2026 at 10:00 PM until Monday, 10 August 2026 at 5:00 AM, over a period of 3 days.

The traffic management plan is as follows:

The closure will involve three (3) lanes along Jalan Magazine, between the Capri Hotel construction area and The Magazine Hotel. However, one lane will always remain open for traffic.

As an alternative, road users can use the temporary additional lane via Jalan Maxwell, Lebuhraya Tek Soon and then Lebuhraya McNair to access Jalan Magazine, (as shown in the attached map).

This closure is necessary to facilitate preliminary works for the Penang Light Rail Transit (LRT) Project: Mutiara Line – CMC1 Package, which includes utility relocation works.

Motorists are advised to follow directional signage. During the closure period, the PML Project Emergency Response Team will be onsite to assist with traffic management. Safety barriers, traffic cones and flagmen will also be deployed to ensure the safety of all road users. For further information, please refer to the map below.
