

# OCCUPATIONAL HEALTH & SAFETY POLICY

Malaysia Rapid Transit Corporation Sdn Bhd (MRT Corp) and its subsidiaries ("MRT Group") are committed to upholding the Occupational Health & Safety (OHS) standards across all project phases and Company's business activities. To deliver this commitment, MRT Group will:

- ✓ Complying with all applicable legal and other OHS requirements.
- ✓ Preventing occupational incidents, injuries and ill health.
- ✓ Ensuring a safe and climate-resilient working environment for employees and all parties involved in the MRT Group's activities.
- ✓ Educating, communicating, and enforcing OHS practices.
- ✓ Empower employees to stop work or withdraw from unsafe situations where there is a reasonable belief of imminent danger.
- ✓ Identifying and mitigating potential hazards and OHS risks to all stakeholders.
- ✓ Continually improving the OHS management system and overall OHS performance.

To this end, we aim to raise the OHS standards by inculcating the OHS culture within the MRT Group.
